Key Concepts

The Bible is its own expositor. Scripture is to be compared with scripture. The student should learn to view the word as a whole, and to see the revelation of its parts. He should gain a knowledge of its grand central theme, of God's original purpose for the world, of the rise of the great controversy, and of the work of redemption. He should understand the nature of the two principles that are contending for supremacy. EGW, Ed.

EVERY SPIRITUAL GIFT IS IMPORTANT

The Lord desires His church to respect every gift that He has bestowed on the different members.

Having then gifts differing according to the grace that is given to us, let us use them: if prophecy, let us prophesy in proportion to our faith. Romans 12:6
